Salem & Leetonia, OH – July 26th, 2020

Dear Friends,

“The kingdom of heaven is like” Jesus tells his disciples what the kingdom of heaven is like without telling them what it is. Interesting! It is something, but it involves interaction with a person, or a merchant, or fishermen. It involves choices and sacrifice – a recognition that the kingdom is unique and unlike any other “thing”. And they seemed to understand. Today, we’ve come to choose Jesus in the Liturgy, whether we are praying at home or in church. May our other choices be guided by our love for God and God’s love for us. Because we love God, may all things work out well for us.

Lord, help each of us to possess the treasure, the pearl, the worthwhile things of the kingdom!

Thank you, Deacon Larry, for preaching the homily this weekend.

Plans continue to be formed for St. Paul School Children to return to school when classes are scheduled to reopen on Tuesday, September 8. More details will be coming to parents.

My doctor confirmed my diagnosis of acid reflux that has caused my coughing spells. He has prescribed me some good medicine to help me correct the problem. Please remember me in your prayers. Thank you.

Please remember all our ailing parishioners in your prayers. We have a number of parishioners who are doctoring at home, in care facilities away from families, and out of town. There are a lot of things causing stress on families. Please remember all of them in prayer. God bless you.

A lot of good things continue to happen in our “new” world. People have been on vacations, getting married, working, getting ready for school, playing soccer, etc. God bless you as you do the best you can to doing things you would like to do. Be careful and prudent in your choices.

Our parish office is open. If you need something or have an idea for our parish at this time, please, let us know. Ginny, our receptionist would be happy to talk with you.

In fact, if you want to drop me a note in the mail or call (leave me a message, if I am not in), I would like to keep in touch. We don’t know how long this will last, though vaccines appear to be on the horizon; maybe early next year (?). Know that you are always in my prayers and on my mind.
